or toll-free: 1-855-283-9640
Email: info@quintetransit.ca

County Transit is a service of the municipality of Prince Edward County.
County Transit is operated by Quinte Transit.

1 WHAT IS THE SCHEDULED ROUTE?

The scheduled bus route operates Monday to Friday, with six trips per day between Belleville and Picton via Bloomfield.

Ride between these towns for work, school, appointments, shopping, VIA Rail connections, and more. Six weekday trips provide more opportunities for County residents to connect with the route from their closest stop.

2 ON-DEMAND SERVICE

Get a ride anywhere in the County for only $5! Weekdays, when space available. Ride to another County address, and back again, or ride to a bus stop to transfer on to Belleville.

Since specialized transit vehicles already cross the County, carrying registered seniors & others, seats may be booked by the public on a space-available basis. Service runs Monday-Friday, 6:15am-6pm. **Users can book in the app on the day of travel, (be sure to add your phone number under "Account") or contact Quinte Transit to book ahead.**

3 SPECIALIZED SERVICE

Weekday door-to-door service is available for pre-registered clients with disabilities, adults 55+, and people experiencing housing insecurity (with a referral from a local agency). To register or learn more, visit www.countytransit.ca or contact Quinte Transit at the numbers below.

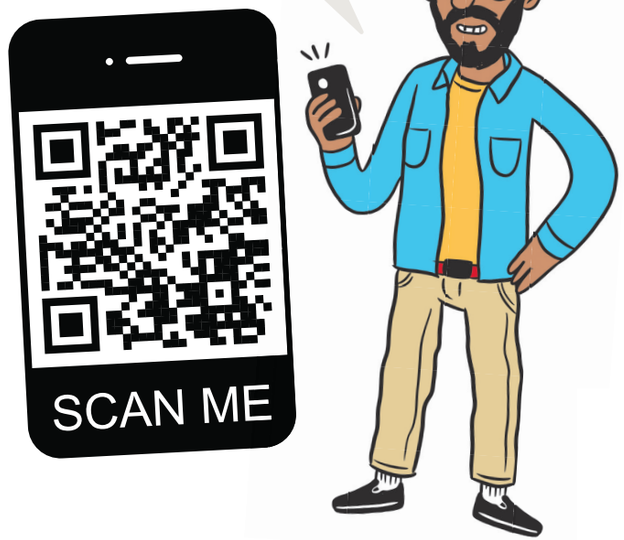
TheCounty PRINCE EDWARD COUNTY • ONTARIO Ontario

Revised Nov 1, 2026.

The easiest way to use Transit is with Google Maps!



4 USING GOOGLE MAPS FOR TRANSIT DIRECTIONS

1. Open Google Maps, or scan the QR code.
2. Choose your destination, in Belleville or beyond.
3. Make sure the **bus icon** is selected (instead of the car).
4. Choose a trip or tap the **Leave** time to select a different travel date and time.

Google Maps will show when to leave, with walking directions to your bus stop, transit connections, transfers, and your arrival time.

HOT TRANSIT TIPS!

Don't live near a stop?

- Walk, bike, get a ride, or grab a taxi.
- A short cab ride to a stop beats paying for the whole trip.
- You can bring your bike, scooter, or shopping trolley onboard.
- All vehicles are wheelchair accessible.
- A $180 monthly pass might beat the cost of gas and parking.
- 6 trips every weekday- could you commute on County Transit?
- New for 2027: phone charging at seats.

Live within 2 km of the route but not near a stop?

Contact Quinte Transit. The bus may be able to pick you up and drop you off at your location.

BIKES ARE WELCOME ON ALL COUNTY TRANSIT BUSES!
