BETWEEN:

THE CORPORATION OF THE COUNTY OF PRINCE EDWARD

(hereinafter called the “Municipality”)

PARTY OF THE FIRST PART

– AND –

(hereinafter called the “Owner”)

PARTY OF THE SECOND PART

WHEREAS the Owner proposes to amend the Municipality’s Official Plan, amend or vary the Municipality’s Zoning By-law, seek site plan approval and/or to sever and/or subdivide certain lands in the Municipality (herein referred to as “the Application(s)”);

AND WHEREAS the Municipality may incur expenses for services or activities which are not covered by the initial fee for the basic processing of the Application(s) as described on Schedule “A” hereto;

AND WHEREAS the Municipality has authorized the entering into of this Agreement by By-law 3903-2016 being a by-law to establish a tariff of fees for the processing of applications made in respect of planning matters pursuant to Section 69 of the *Planning Act*, as amended;

NOW THEREFORE in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which is acknowledged by the parties hereto, the parties hereto agree as follows:

1. In consideration of the other provisions of this Agreement, the Commissioner of Planning for the Municipality shall instruct such of the Municipality’s staff, solicitor, planning, engineering and other consultants as the Commissioner of Planning deems necessary or advisable to:
 - (a) review on behalf of the Municipality the Application(s) and to undertake such studies, investigations, analysis, research as may be reasonably necessary to properly advise the Municipality, including, without limitation, the provision of written reports and opinions; and
 - (b) provide representation/appearances at any and all meetings and/or proceedings relating to the Application(s).
2.
 - (a) The Owner hereby covenants and agrees to reimburse the Municipality forthwith on demand for all expenses whatsoever incurred by the Municipality relating to or arising out of the Application(s).
 - (b) In this Agreement, the word “expenses” includes:
 - (i) fees, costs, expenses, and disbursements incurred by or on behalf of the Municipality for services or activities related to or arising out of the Application(s) but not described in Schedule “A” hereto, including but not limited to fees, costs, expenses, and disbursements for items such as: additional public meetings, notices of public meetings, external agency fees, extensions or amendments to Application(s), plans or the conditions of approval, peer reviews, additional studies and/or evaluations, site inspections, meetings, and all attendances and preparation related to any and all appeal(s) to any tribunal and/or court , including without limitation all legal and consultant fees and disbursements.

- (c) For purposes of this Agreement, the Owner acknowledges and agrees that the "processing" of the Application(s) includes any additional public meetings, notices of public meetings, extensions or amendments to Application(s), plans or the conditions of approval, peer reviews, additional studies and/or evaluations, site inspections, meetings, and all representation, attendances and preparation related to any and all appeal(s) to any tribunal and/or court.
3. The Owner hereby agrees to deposit with the Municipality, at the time of signing this Agreement, a certified cheque in the amount of \$ payable to the Municipality as an advance on all expenses that may be incurred by the Municipality. The said sum of \$ shall hereinafter be referred to as the "Deposit". As accounts, invoices, statements, etc. are received by the Municipality, they shall be paid by the Municipality and the Municipality shall be entitled to deduct the amounts so paid from the Deposit. The Municipality shall then submit to the Owner a statement of all monies paid and the Owner shall pay to the Municipality forthwith a sufficient sum to reinstate the Deposit to the initial sum of \$ in order that the full sum of \$ is available for subsequent accounts, statements, invoices, etc. Neither the Deposit nor anything in this Agreement shall limit or be deemed to limit the obligation of the Owner to reimburse the Municipality in full for all expenses incurred by the Municipality.
 4. In the event that the Owner fails to reimburse the Municipality within thirty (30) days of demand so as to fully reinstate the Deposit as contemplated by this Agreement, the Municipality's Commissioner of Planning may, in his or her sole and absolute discretion, direct municipal staff, planner, solicitor, engineer and any other consultants to cease all work on or relating to the Application(s) and the Municipality shall be entitled to apply the balance of the Deposit towards all outstanding accounts.
 5. The Deposit or any portion thereof shall be retained by the Municipality until all accounts, statements, invoices, etc., submitted or to be submitted to the Municipality and relating to the Owner's Application(s) have been paid in full and all matters relating to the Owner's Application(s) have been completed. Upon completion or in the event the Owner indicates that it desires to cease all work relating to the Owner's Application(s), then the balance, if any, of the Deposit shall be returned by the Municipality to the Owner after the payment of all accounts, statements, invoices, etc., submitted or to be submitted to the Municipality and relating to the Owner's Application(s) have been paid in full.
 6. In the event that any matter relating to the Owner's Application(s) is appealed to the Ontario Municipal Board, other tribunal and/or Court, and the Municipality, in its sole and absolute discretion, determines it necessary or appropriate to attend at the hearing or proceeding to defend Council's decision [whether the decision is to support or refuse the Owner's Application(s)], then in such case the provisions of this Agreement shall also apply to all expenses incurred by the Municipality with respect to such hearing and/or proceeding, including without limitation, legal, planning and engineering costs and disbursements.
 7. Interest and municipal administrative fees shall be payable by the Owner to the Municipality on all sums of money payable by the Owner to the Municipality which are not paid in full within thirty (30) days of demand or otherwise satisfied from the Deposit, which interest and municipal administration fees shall be calculated from the date of such demand at the rate established from time to time by the Municipality for overdue accounts. Any and all expenses that may remain unpaid to the Municipality constitute a debt of the Owner to the Municipality. The Owner agrees that the Municipality in its sole and absolute discretion shall be entitled to add such expenses to the tax roll for the property of the Owner and collect them in the same manner as municipal taxes.
 8. The failure of the Municipality to insist on strict performance of any of the terms, provisions, covenants or obligations herein shall not be deemed to be a waiver of any rights or remedies that the Municipality may have, and shall not be deemed to be a waiver of any subsequent breach or default of the terms, provisions, covenants and obligations herein contained.
 9. The Owner shall not call into question, directly or indirectly, in any proceedings whatsoever in law or in equity or before any administrative tribunal, the right of the Municipality to enter into this Agreement and to enforce each and every term, covenant and condition herein contained, and this clause may be pleaded as an estoppel against the Owner in any such proceedings.
 10. This Agreement shall not be construed as acceptance or approval by the Municipality of the Application(s).
 11. This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective heirs, administrators, executors, successors and assigns.

IN WITNESS WHEREOF the parties hereto have hereunto affixed their corporate seals attested to by the hands of their proper officers authorized in that behalf.
