RIGHT-OF-WAY ADOPT A TREE APPLICATION/CONSENT FORM

To be eligible for your tree request, please read and confirm all of the statements below by checking each checkbox and signing the form below. Forms may be returned to Prince Edward County Operations Department by hand delivery or email.

I am requesting that the Corporation of the County of Prince Edward plant a new tree at the requested planting location identified below and in the Planting Location Map (see reverse).

Address: _____

_____

I agree to "adopt" this tree, which means I will provide the required care and maintenance for this tree **for the next 2 years**, beginning _____ including:

☐ Provide 20L (5 gallons) or 2 standard buckets of water per week from May to October,

☐ Remove weeds from around the base of the tree to reduce competition for resources,

☐ Spring and/or fall mulching to help slow water evaporation and prevent lawn mowers from damaging the bark of the tree,

☐ Monitor tree for damage, disease, and/or pests, and report these conditions to the County of Prince Edward.

I understand that the Corporation of the County of Prince Edward cannot guarantee that a tree will be planted in the requested tree location due to factors such as budget availability, tree availability, tree suitability for the site, such as soil quality, and available planting space, including overhead and underground utilities and lateral service connections.

Yes, I commit to taking care of this tree for the next 2 years.

Name: _____

Email: _____

Signature: _____

Date: _____

☐ The Director of Operations (or designate) confirms this location is appropriate for planting a new tree. (i.e. no conflicts with utilities, well drained, and no operational conflicts)

Planting Location Map

Provide relevant details such as edge of road way, houses, and other permanent features that could be used to locate the tree. Sketches should contain offset distances and all features should be annotated.
