COMMUNITY TREE PLANTING APPLICATION/CONSENT FORM

To be eligible for your tree request, please read and confirm all of the statements below by checking each checkbox and signing the form below. Forms may be returned to Prince Edward County Operations Department by hand delivery or email.

- I am requesting that the Corporation of the County of Prince Edward permit the planting of a new trees on County property at the requested planting location identified below and in the Planting Location Map (see reverse).

Address: _____

I agree to "adopt" these trees, which means I will provide the required care and maintenance for these trees **for the next 2 years**, beginning _____ including:

- Provide 20L (5 gallons) or 2 standard buckets of water per week for each tree from May to October,
- Remove weeds from around the base of the tree(s) to reduce competition for resources,
- Spring and/or fall mulching to help slow water evaporation and prevent lawn mowers from damaging the bark of the tree(s),
- Monitor tree for damage, disease, and/or pests, and report these conditions to the County of Prince Edward.

I understand that the Corporation of the County of Prince Edward cannot guarantee that a tree will be planted in the requested tree location due to factors such as tree availability and factors relating to site suitability, such as soil quality, and available planting space, current and future use, and overhead and underground utilities. Requests that require financial support shall be dependent upon available budget.

Yes, I commit to taking care of these trees for the next 2 years.

Name: _____

Email: _____

Signature: _____

Date: _____

- The Director of Operations (or designate) confirms this location is appropriate for planting a new tree. (i.e. no conflicts with utilities, well drained, and no operational conflicts)

Please provide a brief description of the project:

Please provide all relevant details on who will be coordinating the project, who will be funding the project, the number of trees to be planted, tree size and the tree species to be planted

Maintenance Plan:

Please outline how you will provide the required care for the tree as outlined on the previous page of the application.

Resources Requested from The County:

Please Check All That Apply

- Provision of Mulch (Subject to Availability)
- Provision of Water Tote (Subject of Availability)
- Submission of Utility Locates
- Advertising on County communication channels
- Financial Support - attach budget breakdown

Planting Location Map

Provide relevant details such as edge of road way, houses, and other permanent features that could be used to locate the tree. Sketches should contain offset distances and all features should be annotated.
