

LAWN SIGN DESIGN CONTEST ENTRY FORM

Prince Edward County (PEC) is excited to announce a **Lawn Naturalization Lawn Sign Design Contest** to celebrate our community's commitment to environmental sustainability. Following the recent amendment to the **Grass and Weeds By-Law (No. 78-2023)**, which now supports naturalized areas on private properties, we aim to promote biodiversity and ecological well-being!

We invite students to design a sign that could be placed on lawns throughout the County. These signs will raise awareness about the benefits of naturalization and inform the community about the recent by-law changes.

Please submit this form and your design on the template provided to **communications@PECounty.on.ca** or in person at **332 Main Street** or **115 Lake Street** between the hours of **8:30am - 3:30pm**. Entries are due by **April 4th, 2025, at 3:30pm**.

Winners will be presented with a prize at the Council Meeting on **April 22, 2025**, and will be contacted prior to this date.

By participating in this contest, you contribute to creating a greener, more biodiverse environment in PEC. We look forward to seeing your creative designs that will inspire and educate our community!

Full Name:	Parent/Guardian Name:
Address:	
Phone:	Email:
School:	Grade:

Personal information collected as part of this form will be used for the purpose of awarding a prize and inviting the winner to the award presentation. Information will be destroyed following completion of the contest.
