

### 1 WHAT IS THE SCHEDULED ROUTE?

Our scheduled bus route circles Picton, then heads to Belleville via Bloomfield, returns and circles Picton again, five times a day, five days a week (Monday-Friday).

Folks can ride to Belleville and back for school, work, appointments, connections to VIA Rail and more.

Since the route circles Picton both before and after Belleville, it's also useful for getting around Picton.

### 2 ON-DEMAND SERVICE

Get a ride anywhere in the County for only \$5! Weekdays, when space available. Ride to another County address, and back again, or ride to a bus stop to transfer on to Belleville.

Only \$5 per ride?

How is that possible?!

Since specialized transit vehicles already cross the County, carrying registered seniors and people living with disabilities, seats may be booked by the public on a space-available basis. Service runs Monday-Friday, 6:15am-6pm. **Users can book through the app or contact Quinte Transit the day before.**

### 3 SPECIALIZED SERVICE

Clients who qualify, (over 55, or living with disabilities) can receive door-to-door service, once they are registered with County Transit.

To register, fill out form at: [www.countytransit.ca](http://www.countytransit.ca)
