

PUBLIC NOTICE

Proposed Public Safety Radio Communications Tower

The Corporation of the County of Prince Edward is proposing to construct a new public safety radio communications tower on municipally owned property located at 13 Coleman Street, Ameliasburgh, Ontario K0K 1A0, Tower Coordinates 44°03'34.07" North 77°25'58.56" West.

Prince Edward County Fire and Rescue is upgrading its radio communications infrastructure to improve emergency communications across the municipality.

The proposed communications tower, which is not a cell phone tower, will strengthen radio reliability for emergency responders and improve communications during:

- Structure fires
- Wildland fires
- Motor vehicle collisions
- Medical first response
- Technical rescues
- Mutual aid responses
- Firefighter training exercises

The project includes:

- 40-metre self-supporting steel lattice tower and tower base
- Radio antennas
- Underground cabling between tower and demarcation point
- Lightning protection system
- Anti-climb protection

This project is being undertaken in accordance with:

Innovation, Science and Economic Development Canada (ISED)
Radiocommunication Act

ISED Client Procedures Circular CPC-2-0-03

Prince Edward County Policy PD-320-Location-of-Communication-Towers-Policy

Although radio communication towers are federally regulated, ISED requires proponents to undertake public consultation before construction proceeds. The County of Prince Edward welcomes comments from nearby property owners during the consultation period.

Please submit written comments within 30 calendar days of the date of this notice.
